

## **INCLUDED BENEFITS**

We are proud to announce that we offer QDP (Quality Dental Plan) in our dental office. QDP is an annual reduced-fee savings plan for families and individuals that allows all QDP Members to receive quality dental services at greatly reduced prices. Unlike conventional insurance plans, with QDP there are **no deductibles, no yearly maximums, and no waiting periods to begin treatment.** QDP benefits coverage begins immediately on plan registration.

Our QDP Benefits include:

- Healthy teeth cleaning benefits (two per year)
- Complete annual dental exams (up to two per year)
- All x-rays needed to complete annual exams
- Complimentary Emergency Exam (when definitive treatment is completed the same day as diagnosis-a value of up to \$99)
- A 15% savings on general and major dental procedures
- A 15% savings on implant restorations
- A 15% savings on any elective or cosmetic procedures

A QDP Membership is \$319 for an initial plan member... and only \$289 for each additional family member - an additional savings of \$30 per member. Eligible family members include spouse and dependent children under the age of 19 (up to age 23 if dependent child is a full-time student). All QDP Membership fees are due and payable at the time of registration and are non-refundable when services have been provided. Plan duration is for one year from registration date. *All patient portions for services received are due at time of services in order to receive QDP benefits.*

All members of a QDP family account will have the same anniversary date as the primary member. A missed appointment fee of 25% of treatment total will be charged for all missed dental appointments.

**Please notify our office during normal business hours at least 48 hours in advance if you must change your reserved appointment to avoid the missed appointment charge.**
